

PRIVACY POLICY

Updated on April 20th, 2024

Tuning Helper is committed to protecting users' privacy. This Privacy Policy applies to our app, and its associated subdomains (collectively, our "Service") alongside our application, Tuning Helper.

Tuning Helper does not gather user information or analytics of any kind. Tuning Helper does not connect to, or transmit data through, any networks, including the Internet or the World Wide Web, nor does it link to any websites. Tuning Helper does not track users' activity, does not write or store any log files, and does not access user device cache, files, location, or sensor data. Tuning Helper does not show any images or moving pictures, is a wholly offline and confidential resource, and is appropriate for use for all age groups.

Contact Us

Users are welcome to contact us with any questions, comments, or concerns via e-mail at help@tuninghelper.com.
